Type approval

Confirmation of conformity of telecommunication facilities is carried out in accordance with the requirements of the technical regulation of the Republic of Belarus “Telecommunication facilities. Safety ”(TR 2018/024 /BY) and the Law of the Republic of Belarus “On Conformity Assessment and Accreditation of Conformity Assessment Bodies” dated October 24,2016 No. 437-3.

The technical regulation was approved by Decree of the Council of Ministers dated June 20, 2018 No. 469 and entered into force on January 1, 2019 instead of the requirements of Decree of the Council of Ministers of the Republic of Belarus dated October 21, 2016 No. 849 “On some issues of confirmation of conformity in the National System of Confirmation of Conformity of the Republic Belarus".

Documents on conformity assessment of telecommunication facilities issued (adopted) in the National System of Confirmation of Conformity of the Republic of Belarus before the date of entry into force of the technical regulation are valid until the expiration of their validity.

Decree of the Ministry of Communications and Informatization of the Republic of Belarus No. 11 dated October 24, 2018 approved a list of state standards interconnected with the technical regulation of the Republic of Belarus “Telecommunication facilities. Security ”(TR 2018/024 / BY).” The application of these standards allows you to go through the necessary certification and declaration of conformity procedures.

The confirmation of conformity of telecommunication facilities is carried out by the certification body of telecommunication facilities and electrical products of Giprosvyaz OJSC.
