

RUE “Belpochta” Awarded with the Certificate of the Universal Postal Union

RUE “Belpochta” has been awarded with the UPU Quality Management Certificate of Level A (Gold)

Republican Unitary Enterprise of Posts “Belpochta” has been awarded with the UPU Quality Management Certificate of Level A (Gold).

The certification has been carried out within the audit of postal service quality management; as a result, the experts have highly appreciated the activity of the enterprise, the optimization and operational process improvement, perfect cooperation with customs authorities, national and international airlines.

A particular emphasis has been made to the staff, its high professional level, its involvement in the activity. The auditors have especially highlighted the solidarity of the team and its general spirit.

As a result of this event, the International Bureau of the Universal Postal Union has decided to give the Quality Management Certificate of Level A (Gold).
